Space & Naval Warfare Systems Center Awards Contract

CHARLESTON -- Allied Technology Group, Inc., of Rockville, Md., is being awarded a \$5,756,859 cost-plus-fixed-fee, indefinite quantity-indefinite delivery contract for technical, on-site maintenance and management support to maintain Information Technology equipment, audiovisual equipment and related systems in support of Joint, US Coast Guard, US Marine Corps, and US Navy Command and Control Systems, Joint Maritime Command Information Systems, Local and Wide Area Networks, and other microcomputer systems (including peripheral components and foreign attachments). Services to be provided include but are not limited to, maintenance scheduling, corrective and preventative maintenance, repair/refurbishment, installation/deinstallation, configuration support, failure trend analysis, maintenance inventory control, maintenance data filing, technical assistance, computer database support and program management support. This contract contains four one-year options, which, if exercised, will bring the total cumulative value to \$30,096,748. Work will be performed in Virginia Beach, Virginia (50 percent) and North Charleston, S.C. (50 percent). Contract funding is from multiple sources and will not expire at the end of the fiscal year. This contract was competitively procured with offers solicited via the Commerce Business Daily and SPAWAR business opportunities World Wide Web sites with two offers received. The Space and Naval Warfare Systems Center Charleston is the contract awarding activity (N65236-98-D-6805).
